We at Tollgate Primary School provide an education for everyone, which acknowledges and is enriched by the diversity of ethnicity, culture and faith of our pupils. We believe that the curriculum must reflect this diversity and that successful education is achieved by sharing the experiences and cultural backgrounds of all children.

We provide equality of access to the curriculum for all our pupils, including those for whom English is an Additional Language. This is achieved by a whole school approach and by the direct language support from an EAL support teacher.

We believe we have created a learning environment that allows all children to experience, understand and celebrate diversity. A learning environment that includes a varied range of teaching and learning strategies, multicultural and multilingual resources, displays and whole school celebrations that embrace a wide range of world cultural events.
