

Teachers are setting academic tasks for children daily on our online website: J2e.com

To access the work, follow these steps:

Step 1: Type in: www.j2e.com and login using your normal school USO login.

Step 2: Click the red LGfL buttons as shown below

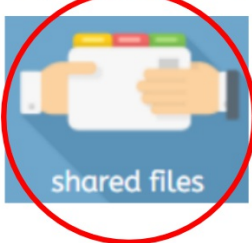

Choose an option below to sign in to **j2launch**
Content Management System

Normal USO Login Easy Login Who Am I Login

If in doubt, click "Normal USO Login".

Step 3: Once logged in, locate the 'shared files' folder

Step 4: Here, you will find the work set out by your teacher which you can complete using J2E5.
