

## Tower of London Trip

Last academic year, students from Tollgate Primary School took part in a competition hosted by the Historic Royal Palaces Organisation. They had to design a coronation bench to commemorate King Charles 11 Coronation. The competition included over 2500 school and we are proud to say we were placed within the top 50 schools! In celebration of our success, we were invited to attend an educational visit to the Tower of London. The visit provided opportunities for children to see the wonders of the Tower of London including the crown jewels. All the participants felt inspired and thoroughly enjoyed the experience.

## Packed Lunches

All children from Reception to Year 6 are entitled to a free school meal every lunch time. If you choose to send your child in with a packed lunch you must ensure that it is healthy. An ideal healthy lunch may consist of a sandwich, fruit and a yoghurt. Please do not pack chocolate, crisps and biscuits and remember we are a no nut school.

**Odd Socks Day**  
**to celebrate**  
**individuality (as part**  
**of anti bullying week)**

**Christmas**  
**Holidays**  
Thursday 21st  
December 2023

★ **Spring Term** ★  
Starts on Thursday 4th  
January 2024

## SEND Coffee Morning

This week we started our SEND Talk and Coffee mornings. This is our new 6 - 8 week programme designed for parents of SEND children. Parents were able to discuss their thoughts and feelings, have challenging conversations and gain support and advice from both SENDIAS and CAMHS.

Each week topics discussed will be dictated by the parents that are in attendance. Topics highlighted for discussions include knowledge of the EHCP process, support when making EHC applications as well how best to support children that display challenging behaviours at home. It was so good to see parents drawing on their personal experiences, sharing these and working collaboratively to support each other.

If you are a parent of a child with SEND please do join us every Tuesday at school 9am. Report to the School's Reception where you can sign in. If you would like any further information please see Miss Jennings.

## School Uniform

Please ensure that children are following the correct school uniform and are wearing the correct school shoes. They **should not** wear trainers to school. Please see the schools website for further guidance.

## Times Tables Rock Stars Weekly Winners

1. Jayden 6S
2. Mariam 3S
3. McKenzie 3K

We encourage parents to ensure that their children are accessing the maths platforms daily. These include "Time Table Rock Stars" and "Numbots" which have been made available to you. This will ensure that children embed key mathematical skills and apply these in daily mathematical lessons. Thank you for your collaboration!

## Stars of the Week

Amber	1H
Cezar	1H
Sahil	2B
Jason	2B
Abdul Rahman	2S
Shasmeen	2S
