

Chilean Delegates Visit

On Wednesday we had a delegation of visitors from Chile who came specifically to look at our Resource Provision and the wonderful work it is achieving with our most vulnerable children. Mr Stanley gave a presentation to the delegates on how our Resource Provision operates and the rationale behind this. The visitors were amazed with how the classrooms were set up and how well the children were achieving. They left giving our resource provision children glowing praise and have taken many ideas away to implement in their own schools in Chile.

KS2 Athletics Visit

On Friday 12th January a group of children from years 4, 5 and 6 visited UEL to participate in an athletics competition alongside 11 other schools from around the borough. The children participated in a variety of events including javelin, relays, long jump, high jump, triple jump and track race. The children did extremely well finishing 6th overall and some of our children winning gold, silver and bronze medals in some events. The children behaved impeccably, had an enjoyable day and we are very proud of their achievements. Well done to all the children, Mr Cabadak and Mr Gray for all their hard work within the children's PE lessons.

Year 1 RE Visit

Last half term children in Year 1 were learning all about the Nativity Story. As part of their learning in RE they went on a Christmas Journey visit to the Upper - Room Four Square Chapel. The trip was an amazing opportunity for children to recap their learning and watch the nativity story being acted out before they performed it to the parents. After the children met the actress who played Mary and shared delicious breadsticks with her. They also had the opportunity to use binoculars to follow the star and find the baby Jesus.

Upcoming Event

Thursday 8th February

INTERNATIONAL
EVENING

We are excited to announce our upcoming International Evening on Thursday 8th February from 3:15pm until 4:30pm. To make this event truly special, we invite you to contribute by sharing a dish or a cultural representation from your heritage.

Whether it's a traditional dish, a display of artefacts, or a brief presentation, your participation will add richness to our event. This is an excellent opportunity for our children to learn about the diverse backgrounds within our community. Please see Miss Ijeoma, our Nursery teacher, if you are interested in participating with a brief outline of what cultural aspect you would like to showcase.

Your contribution will undoubtedly make our International Evening a memorable and vibrant experience.

Thank you, in advance, for your support in fostering cultural awareness and understanding among our students and we hope to see you there.
