

International Evening

Our recent International Evening was nothing short of a global journey within our school walls. Diverse cultures came to life through vibrant displays, mouth-watering dishes, and enchanting performances. The Fashion Show turned the runway into a tapestry of colours and styles, showcasing the beauty of our children's heritage. From captivating dance routines to heartfelt songs, every moment was a celebration of unity in diversity. It was more than an event; it was a testament to the rich tapestry of our community, leaving everyone with cherished memories of a truly successful and culturally enriching evening.

Children's Mental Health Week

Tollgate recently celebrated the recognition of Children's Mental Health Week by holding an Express Yourself Day where the children wore clothing colours of black, yellow and pink. Children's mental health week is a mental health awareness week that empowers, equips and gives a voice to all children and young people in the UK. The theme of the day was "My Voice Matters". Every child took part in an interactive assembly where they were able to acquire a good understanding of what Well-Being is and how to look after their own mental health. They also looked at how they deal with emotions that they find difficult to understand and how to share their own feelings safely.

Tollgate Football—Boys Team

Tollgate's Boys football team enjoyed another great performance this week with a convincing 18-0 win against West Ham Church School. Tollgate started brightly and scored early which set the tone for the match. Every player played exceptionally well and despite the convincing score line played with integrity. The goals were scored by Alex, who got 15, Nile, Enyim and Gabriel. Well done boys!

NSPCC Assemblies

This week, Years 2, 5 and 6 participated in a workshop provided by the NSPCC. In this workshop children learnt how to keep safe and how this may look in various different situations. They also learned about the role that the NSPCC plays in keeping children safe and the different way they can support children who are not feeling safe. They also were shown how to contact the NSPCC if they needed any support.
