

## Celebrating Our Outstanding Team Members: Royal Garden Party Invitation!

We are thrilled to share some fantastic news with our Boleyn Trust family. Four of our exceptional colleagues, (Miss Gent, Miss Halil, Miss Simon, and Mr Mitchell), have been nominated by the Department for Education to attend a prestigious Royal Garden Party at Buckingham Palace.

This distinguished honour is in recognition of their exemplary dedication and outstanding contributions to education and children's social care. It reflects not only their individual commitment but also the collective effort of our incredible team at Tollgate and The Boleyn Trust.

The Department for Education acknowledges the significant impact each of these individuals has made in their respective roles, and this invitation to the Royal Garden Party serves as a token of appreciation for their tireless efforts.

As we take pride in their accomplishments, let us also recognise that this achievement is a reflection of the high standards and commitment to excellence that define Tollgate and The Boleyn Trust. We extend our warmest congratulations to our wonderful colleagues for this well-deserved recognition.

The Royal Garden Party is an exceptional opportunity to celebrate their achievements and network with other distinguished individuals in the education sector. It is not only a personal honour for each employee but also a testament to the outstanding work happening at Tollgate.

We encourage all staff members to join us in congratulating each of them on this remarkable achievement. Their hard work and dedication are truly making a difference in the lives of the pupils and families we serve.

Thank you for your ongoing commitment to excellence.
