

Chinese Students Visit

As part of our work with the Global School Alliance, Tollgate have hosted some visitors from China. A group of students and their teachers have been here all week immersing themselves into what life is like in an English school.

They have joined in with lessons, been on a school trip to the theatre and showed us some of the things they get taught in their own schools. They also performed in our international evening this week. It has been a pleasure to host our visitors and it has been an incredible experience for everyone involved.

RP visit to Stratford Theatre

A group of children from our Resource Provision attended the Stratford Theatre to watch a two man performance called: "A very old man with enormous wings". The performance explored the themes of storytelling, family, community, the supernatural and how people who are different and/or dependent are treated in society. The performance was an artistic compilation of song, sound effects, lighting and the use of creative projection. In addition, it included caricatures made out of figurines.

Tollgate Football Teams

Tollgate's football teams started their league campaign with home fixtures against Southern Road at Newham Leisure Centre. First up were the boys who got off to a flying start and quickly had Southern Road under severe pressure. After five minutes, Tollgate opened the scoring with a goal from Jeremiah. The goals continued to flow with Tollgate leading 4-0 at half time. Southern Road managed to get two goals back but Tollgate responded positively with the match ending in a 8-2 win. The other goals were scored by Alex, who scored six, and Nile who slotted home a sweet left footed shot.

Next up were the girls. This was an extremely tense and exciting match played with fantastic spirit. The girls were playing good attacking football and were unlucky to concede a goal. After a couple of tactical adjustments at half time Tollgate piled on immense pressure but could not find that equalising goal. The final score was 0-1.
