

## Nursery Visit the Fire Station

As part of our engaging topic on 'People Who Help Us', our Nursery visited Plaistow Fire Station. With eager minds and curious hearts, we delved into the world of firefighting, learning first-hand about their heroic endeavours. From understanding their crucial role in emergencies to witnessing their specialised equipment and protective clothing, every moment was a lesson in courage and dedication. We had the opportunity to simulate firefighting scenario and extinguish pretend fires under the guidance of the brave firefighters. It was an unforgettable experience!

## Year 5 Visit UEL

Year 5 students took part on an exciting trip to the University of East London's SportsDock facility, where they participated in the "Sports in your Future" event. Throughout the day, they engaged in a diverse range of sports activities such as basketball, cricket, and jump rope. Under the guidance of skilled coaches, the children not only learned the fundamental techniques of each sport but also discovered the qualities that contribute to becoming exceptional athletes. They were also treated to a captivating display of tricks by the coaches, leaving them inspired and in awe of the possibilities within sports. Overall, the trip was a resounding success, with the children thoroughly enjoying themselves and feeling motivated to pursue their athletic aspirations.

## TFL Visit Year 6

On Monday 18th March, a school liaison officer from the London Transport Museum led a session to prepare our Year 6 children for independent travel ahead of starting secondary school. At Tollgate, we understand that starting secondary school can be both exciting and nerve-wracking, and for many children it marks the first time they begin to travel without their parents. The TfL Citizen programme taught our young pupils the tools for safe and responsible travel on public transport in a fun and engaging way!
