

100% Attendance

Congratulations to these children who received a 100% attendance certificate in assembly today. These children have been in school every day since September! To celebrate their dedication to their learning, they will be going on an educational visit this half term. We will be holding another 100% Attendance Assembly at the end of this term. Please attend school every day to win another award!

Empower Dads

At Tollgate we have been running a project in conjunction with Newham called "Empower Dads, Unite Families". Dads have been coming along to Tollgate, with their children and engaging in various sports based activities. Sport has been used to strengthen healthy relationships, break barriers, redefine fatherhood and build strong connected families. A very well done to all our dads who are taking part!

Marvellous App

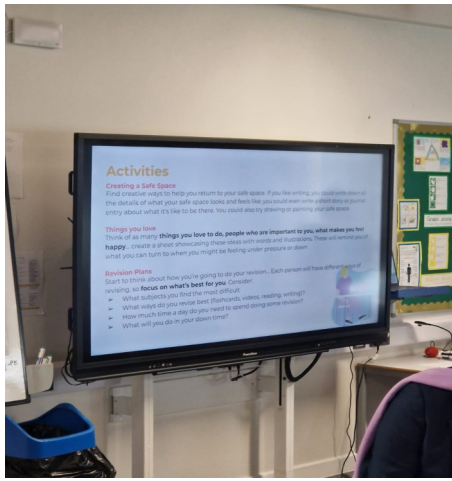

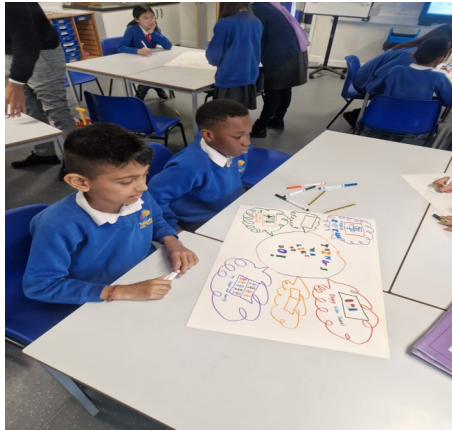

A reminder to all parents to download the MarvellousMe app, if you have not done so already. Once you have the app downloaded and you are able to view information on your child, you must make sure you have your notifications switched on. This is so you can receive up to date information as soon as we send them out.

Kooth Workshops

A member of the Kooth project was at Tollgate today to run workshops for our Year six children. These workshops centred around mental health and wellbeing, with a focus on anxiety and stress around our upcoming SATs. Many activities and strategies were discussed, these included: ways to deal with exam stress, strategies to implement to relieve stress, revision timetable planning. Children were also able to drop in at lunch time to speak with members of Kooth to chat about their feelings privately, if they felt they needed to.

Thank you to Kooth for your support.

Class Photos

Class photos took place this week. All children were all given a card with a QR code, where they can access the Vancols website. Please log on and register your interest to view the photo. We will notify you when your photographs are ready to order. Thank you
