

## Year 2 Florence Nightingale Museum Visit

Year 2 have recently visited the Florence Nightingale Museum, where they were able to meet Florence Nightingale! They learned about her life and what made her such a significant woman in history. The children had lots of fun taking part in activities around this monumental woman and behaved so well that a member of the public called the school to congratulate them — well done Year 2!

## Resource Provision Visit The Cable Cars

The pupils in the Resource Provision had an excellent educational visit this week when they visited the cable cars. The cable cars, which offers breath-taking, aerial views of the London skyline, are a mode of transport to travel over the River Thames. This visit was undertaken as part of their learning topic of 'Transport' and 'Up in the Sky'. The children had a great experience on this trip which was furthered by the miserable, wet weather. This offered an additional sensory experience as the pupils were enthralled by the noise and vision of splatters of rain on the cable car.

## Young Carers Visit

Our Community Hub has been working very closely with a local charity, YUCAM. YUCAM supports children who are young carers in their family and helps to ensure they get to experience enrichment activities. This week, some of our Key Stage 2 children had the opportunity to visit Flipout and Nandos which was fully funded by YUCAM. The children thoroughly enjoyed themselves and remarked, 'This is the best day ever!' and 'Thank you for choosing me!'

## Year 5 initiative

A selection of Tollgate's Year 5 girls had an exciting opportunity this week, when tasked with creating a business plan to help raise funds for our Resource Provision and local charities. The girls decided to create Autism awareness friendship bands to celebrate friendship and kindness which we strive for in this school — well done.
