

100% Attendance Trip

We have updated our 100% attendance awards this week and more children will now be receiving a special trip to the cinema, as they have attended school every day since February half term. The children will be going on the following days:

Years R, 1 and 2—Thursday 23rd May

Years 3 and 4—Friday 7th June

Years 5 and 6—Tuesday 4th June

If these children continue to have 100% attendance until June 28th we will be setting up two very special trips to celebrate their achievement, good luck!

Year 3 Visit

Recently, Year 3 visited the University of East London Sportsdock, to take part in a 'Healthy eating' workshop. During the course of the day the children took part in a range of different sports lead by professional athletes (including a basketball player for the London Lions) and highly qualified sports coaches.

In the afternoon the children were challenged with designing a healthy meal for different team GB athletes. If their meal is chosen they can win £1,000 and tickets to the Paris 2024 Olympics.

Resource Provision Trip

The Resource Provision participated in a physical development session at East London Gymnasium. This session was designed to enhance students' core strength, refining body awareness and movement to foster physical, emotional, and psychological well-being. Pupils were motivated to engage in purposeful movements with the aim of cultivating their independence.

Year 3 Visit

Our Year 2 children took their Science learning outside of the classroom this week when they visited Beckton Park as part of their science topic on Plants. The children explored the park finding various plants and worked together to name and describe them.

Photo Deadline

If you wanted to purchase a copy of your child's photo please ensure you buy them online with Vancools by the deadline of 12am tonight.
Thank you!
