## Year 6 Visit the Imperial War Museum

Earlier this week, children from year 6 visited the Imperial War museum to further support their learning of World War 2 in history. The children were exposed to a number of real-life artefacts, giving them the opportunity to get a glimpse into the lives of people from that time period. It was a poignant experience that evoked many discussions on what the children had learnt in school during their history topic.

## Reception Visit the Transport Museum

The children in Reception have ventured out into central London this week to visit the London Transport Museum as part of their transport topic. They travelled all the way to Covent Garden on the Elizabeth Line and behaved wonderfully. When they were there, they were given a map with 13 stamps to find around the museum. They then split off into groups to explore old buses and steam trains and they loved using their map reading skills to explore and identify different modes of transport.
